MEDICAL EMERGENCIES:

The Program Registration Form includes a medical release, giving us permission to seek medical attention for your child in case of an emergency. Please update this form as necessary with any changes in home, work, or medical phone numbers. In the case of life threatening emergencies, a member of our staff will immediately call 911, administer First Aid & CPR, and notify you as quickly as possible. If you cannot be reached, your designated emergency contact will be notified. If transportation to the hospital is needed, a staff member will accompany your child on the ambulance and will stay with him/her until you arrive.

For minor emergencies and injuries, all of our staff are trained in First Aid & CPR, and we will administer as needed. A staff member will then contact you to come and care for your child if additional care is needed. For minor injuries that do not require us to notify you immediately, a written report will be given to you that day when you pick up your child, explaining what happened and how the situation was treated. Internal accident reports are completed for our records and recorded in our medical log. Internal accident reports are not allowed to be released to parents.

We are required to notify the Department of Social & Health Services by phone and in writing of any serious injuries that require medical treatment, illness that requires hospitalization, occurrences of food poisoning, or communicable diseases.

I understand that I am responsible for payment of any medical services rendered, should my child require medical attention while participating in the Armed Services YMCA program.

Special Care Information

Please list any comments, problems, or concerns, about your child(ren) that you feel we should know: i.e., allergies, medications, medical conditions, dietary restrictions, or special needs:

SPECIAL NEEDS:

Armed Services YMCA staff members are encouraging, patient, and helpful in paving a pathway for children with mild to moderate disabilities to succeed at Armed Services YMCA programs. We are not equipped nor staffed to work with children who need significant assistance with personal care, constant one-on-one care, or have great difficulty in managing their behavior in a group setting.

ADA Policy: If a child requires one-on-one care, the Armed Services YMCA will be unable to accommodate.

(Initial here) I understand that if my child has a significant health issue or a special need, I must set an appointment with the Director of Child Care (amaddox@asymca.org) prior to registration to discuss appropriate accommodations.

Additional Discipline and Guidance Measures (Only Applies to Before or After School Program (BAP)/School Age Program (SAP) that Operates under 26 TAC Chapter 744)

A program must take the following steps if it uses disciplinary measures for teaching a skill, talent, ability, expertise, or proficiency:

- Describe the training and disciplinary measures in writing to parents and employees and include the following information:
 - (A) The disciplinary measures that may be used, such as physical exercise or sparring used in martial arts programs;
 - (B) What behaviors would warrant the use of these measures; and
 - (C) The maximum amount of time the measures would be imposed;
- Inform parents that they have the right to ask for additional information; and
- Ensure that the disciplinary measures used are not considered abuse, neglect, or exploitation as specified in Texas Family Code §261.001 and TAC Chapter 745, Subchapter K, Division 5, of this title (relating to Abuse and Neglect).

ARMED SERVICES YMCA

STATEMENT FOR PREVENTION OF ABUSE

SUMMER CAMP 2026

STATEMENT FOR PREVENTION OF ABUSE:

A principal endeavor of the Armed Services YMCA is to provide a healthy atmosphere for the growth and development of youth and children. Thus, the mistreatment or neglect of youth or children and the resulting severe effects are of primary concern to the Armed Services YMCA. Child abuse is mistreatment or neglect of a child by parents or others resulting in injury or harm. Abuse can lead to severe emotional, physical, and behavioral problems. Because of its concern for the welfare of children and youth, the Armed Services YMCA has developed policies, standards, guidelines, and training to aid in the detection and prevention of child abuse.

In addition, all employees are thoroughly screened, and background checks are conducted upon hiring or rehiring. Additionally, employees who have contact with children and youth receive training in recognizing, reporting, and preventing child abuse, which includes training in recognizing signs that a child is being groomed for abuse. Some of the guidelines employees are expected to follow are:

- Avoid being alone with a single child where you cannot be observed by other staff or adults
- You may not relate to children who participate in Armed Services YMCA programs outside of approved Armed Services YMCA activities. For example, baby-sitting weekend trips, foster care, etc. are not permitted. An exception must be approved in advance by the Child Care Director
- Giving personal gifts to program participants or their parents is not allowed
- Program rules and boundaries must be followed, including appropriate touch guidelines
- Children or youth should not be singled out for favored attention
- Dating a program participant under age 18 is not allowed.
- Children may not be disciplined by use of physical punishment or by failing to provide the necessities of care.
- Verbally, physically, sexually, or emotionally abusing or punishing children or youth is not allowed.
- Children may be informed in a manner that is age-appropriate to the group of their right to set their own "touching" limits for personal safety.
- Children should only be released to authorized persons in programs with controlled pick-up procedures.
- Any information regarding abuse or potential abuse should be documented in writing.
- At the first reasonable cause to believe that any child abuse exists, it should be reported to your supervisor or branch executive so that proper reporting can be initiated.
- At the first reasonable cause to believe that an employee or volunteer abused a child or youth, even if it was not during working hours, his or her conduct should be reported to the program director and the branch executive or another designated branch representative. Additionally, it is the Armed Services YMCA's protocol to make a report to the appropriate authorities. Appropriate actions will be taken regarding the employee or volunteer, including suspension or termination from Armed Services YMCA employment or volunteer status.
