

Before & After School Care 2026-2027

THRIVE

AND GROW

ARMED SERVICES YMCA

Armed Services YMCA Killeen

Children are like sponges – they watch and absorb knowledge, skills, and values from everything and everyone around them. At the Armed Services Y, we believe the values and skills learned early on are vital building blocks for quality of life and future success.

That's why our childcare programs are staffed with people who understand the cognitive, physical, and social development of kids, the need children have to feel connected and supported in trying new things, and the caring and reinforcement parents and families need to help each other. At ASYMCA Killeen before and after school programs, school-age kids make friends, learn new skills, and do homework. With a focus on safety, health, social growth, and academic enhancement, our Before & After School Program serves students from Pre-K to 5th grade with a variety of activity options to develop their interests and talents. Most importantly, they learn how to be their best selves. That makes for confident kids today, and contributing and engaged adults tomorrow.

WHY CHOOSE ASYMCA CHILD CARE?

Dedicated and Highly Trained Staff

Staff meet strict ASYMCA qualifications and have passed criminal background and Child Protective Services checks after careful reference checks are completed. Our staff participates in several training and certification programs, including infant/child CPR, First Aid, prevention/recognition of child abuse, bloodborne pathogens, child development, curriculum planning, and licensing regulations. Staff is trained in a variety of topics, which include activity planning, safety procedures, and guiding children's behaviors. The ASYMCA adheres to the staff-student ratio of 1:10 per TEA guidelines.

Improving Academic Performance

Armed Services YMCA Killeen is committed to providing an exciting and engaging curriculum that emphasizes core academics and arts. We enable kids to use their voices and make the choices to help them achieve their full potential. We create fun and interactive activities designed to improve the social, emotional, and problem-solving skills of children in our Before & After School Program. Armed Services YMCA Killeen Child Care programs are licensed by the State of Texas to ensure safety and quality.

Respectful Relationships are formed between the staff and children and the staff and parents. Children have time to play with one another and form lasting friendships.

A Caring Environment means our space is warm and inviting with activities indoors and outdoors. Activities are geared to the child's interests. Children can play alone, in small or large groups, schedules are flexible, and the atmosphere is relaxed.

Safety and Health are our top priority! We check daily to ensure that all areas occupied by children are clean and free of safety hazards.

OUR PROGRAM

Armed Services YMCA Killeen incorporates our five core values of caring, honesty, respect, responsibility, and faith into every ASYMCA program. ASYMCA Killeen Child Care in particular emphasizes these unique components to help children develop positive identities, values, and social skills. These are essential character-building blocks that nurture and empower young people to grow up to be healthy, competent, caring, and responsible adults.

Typical Daily Schedule

Before School Care

6:00 AM – Drop Off Begins!

Drop off at each site begins as early as 6:00 AM. Due to the transient nature of care, Before School Care consists of condensed child-led activities. Children are able to enjoy board games, puzzles, and drawing. Each school site must meet the minimum participant requirement in order to operate.

After School Care

6:00 PM – All Children Need to be Picked Up!

After School Care consists of a daily snack, a thematic curricular activity, outdoor play (weather permitting), and independent choice activities to conclude the session at 6:00 PM. If children are not picked-up by 6:00 PM a late charge of \$2 a minute, per child will be assessed to each child's account.
